RE: Utility Bill Recovery

7911 NW 72nd Avenue, #206 Medley,
Florida 33166

Dear Mr. Daniel Bach,

Following a comprehensive review and discussions highlighting the potential cost savings, the City of Hialeah is pleased to announce its partnership with Utility Bill Recovery. This collaboration will focus on optimizing energy cost across all City facilities, resulting in significant reductions in our electricity expenses.

This initiative aligns perfectly with our unwavering commitment to responsible fiscal management and maximizing resource efficiency. We are confident that Utility Bill Recovery's audit will yield substantial cost savings, further strengthening our financial well-being.

Sincerely,

Luis A. Suarez
Purchasing Division Director
